HOMECOMING

Homecoming game is the most important football game of the year. Unfortunately, our Homecoming Day 1980 was a rainy one.

Although, the Phoebus Phantoms fought gallantly against the Ferguson Mariners, the combination of uncooperative elements and the tenacity of the Mariners proved too overpowering. The Phantoms lost 7 to 6.

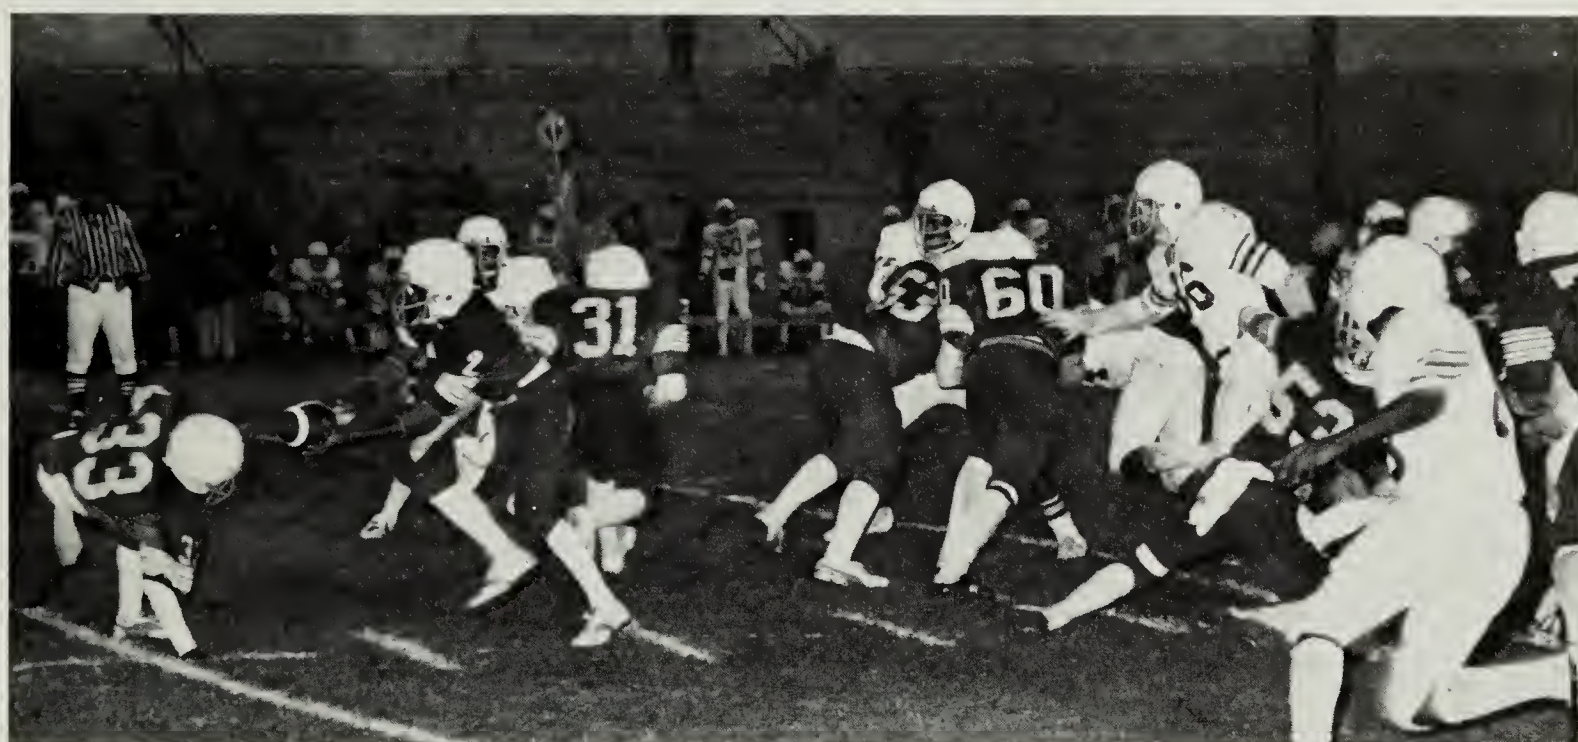

If one had not known the scores, however, one would have thought the Phantoms were victorious, so enthusiastic were the Phoebus fans. Neither a rainy day, nor the loss of a game could dampen their spirits.

Spirit Week this year was highlighted by a variety of activities. Each day students dressed up in different costumes such as twins, their favorite decade, and pajamas. On Friday there was a pep rally at which the spirit stick was won by the seniors their extra enthusiasm. Next came the parade complete with floats, then the homecoming game and finally a dance.
